September is Workforce Development Month

Every September, we celebrate **National Workforce Development Month (NWDM)**, a time to recognize the transformative power of workforce development in connecting people to opportunity, helping businesses grow, and strengthening our communities.

Follow our [LinkedIn](#) all month long to see how we are building stronger communities, fostering opportunity, and empowering people to reach their potential.

Empowering Teams, Strengthening Employers: How Dover Chemical Corporation and Workforce Funding Deliver Results in Tuscarawas County

Industry-driven strategies are the backbone of a strong workforce system. When employers help identify skill needs and shape training, it ensures job seekers and incumbent workers gain the right skills while businesses build the talent they need to grow.

In March 2024, **Dover Chemical Corporation**, a chemical manufacturer located within Tuscarawas County, leveraged the Stark Tuscarawas Workforce Development Board's Incumbent Worker Training Program (IWTP) to provide management and leadership development training for 15 employees.

US Departments of Labor, Commerce, Education unveil Workforce Development strategy to fuel 'Golden Age' of the American economy

On August 12th, the U.S. Departments of Labor, Commerce, and Education published a milestone report that presents a bold vision with concrete actions to transform the federal government's approach to workforce development. With a focus on five strategic pillars, the strategy outlines how the Administration will take innovative actions to empower more Americans to access good-paying jobs, build pipelines of skilled talent for critical industries, prepare the workforce system for an AI-driven economy, and position the U.S. as the dominant global economic leader.
